Mechanical Breakdown Insurance

Please read this section carefully as it contains important information about your Mechanical Breakdown Insurance Policy.

Quest Cover

Your vehicle is covered for the reasonable costs of repairing or replacing the actual breakdown of mechanical or electrical components due to a sudden and unforeseen happening during normal use. Cover is only available on vehicles that have travelled less than 300,000 kilometers at the inception of the policy.

Quest Roadside Assistance

The vehicle nominated on the Schedule is eligible for the benefits of Quest Roadside Assistance as follows (as supplied by the New Zealand Automobile Association or NZAA):

- 24 Hours a Day
- 7 Days a Week
- 365 Days a year
- You may make up to three Quest Roadside Assistance callouts per year.

For assistance **phone Quest Roadside Assistance direct on 0800 229 059**
You will need to quote your policy number and vehicle registration number.

Mechanical Breakdown

In event of a mechanical or electrical breakdown, we will provide assistance to mobilise your vehicle. Call us any time, day or night and Quest Roadside Assistance will be on the way.

Towing

If your vehicle has a mechanical problem and cannot be mobilised at the time of the breakdown, we will arrange to tow the vehicle to the nearest approved repairer.

Note that towing cost is limited to \$100.00 in metropolitan areas and \$100.00 in rural areas. Any cost over and above this amount will be at the driver's expense.

Flat battery

If the vehicle battery is flat and your vehicle will not start, we will attempt to restart it for you. If a new battery is required, this can be supplied at your cost.

Lockout service

Locking the keys in the car is something that can happen to anyone. We will arrange to have someone come to you so you can be on your way again.

Lost keys

We will arrange a locksmith to help get you back into your vehicle. Any replacement keys will be at your cost.

Change of flat tyres

In the event of a flat tyre, we will change the tyre for you. If there is no spare or the spare is unusable, we will arrange towing to the nearest facility at your cost.

Out of fuel

If you run out of petrol or diesel then we will deliver to you up to \$30 worth of fuel to get you going again. The delivery is free however, you will be charged for the fuel itself. If we cannot get fuel to you then we will transport your vehicle to the nearest service station.

If you run out of CNG or LPG we can transport your vehicle to the nearest LPG/CNG-equipped service station but all transportation cost will be at your expense.

If you have accidentally filled up with the wrong fuel then we can arrange for your vehicle to be transported to the nearest repairer or service station where arrangements can be made to get you going again. The transportation of your vehicle will be at your expense.

Quest Roadside Assist does not cover

- Transporting any cargo you may have in your vehicle
- Vehicles that have had unauthorised repairs attempted which may have damaged the vehicle
- The NZAA is not responsible for any subsequent repair costs
- The fitting of snow chains.

Quest Roadside Assist does not apply under the following circumstances

- Unattended vehicles or vehicles over 3500kg gross laden weight
- Recovered stolen vehicles or vehicles that are not roadworthy or safe, or have been operated in an unsafe or illegal manner
- Vehicles which are not on public or formed roads, or which are trapped or bogged
- When the vehicle was being used for racing, pace making, speed testing, reliability trials and competitions or off road activities at the time of the breakdown
- Vehicles that will not operate as a result of a motor vehicle accident
- Any time when it would be dangerous or illegal for NZAA personnel or contractors to repair, load or transport the vehicle and/or its occupants
- Vehicles carrying loads beyond legal limits
- Vehicles at a repairer's premise or garage.

Additional Quest Benefits

Quest Roadside Assist entitlements

If the vehicle breaks down more than 100km from you home, in addition to the normal roadside assist cover, Quest also provides the following benefits to a maximum claim limit of \$500.

Accommodation

Where the nominated vehicle requires warranty repairs to be carried out and overnight accommodation is required, arrangements will be made for the driver and passengers up to a rate of \$120.00 per night (GST inclusive) for a maximum of three (3) nights.

However, should the driver choose not to take accommodation entitlement, the hire period of the replacement vehicle can be extended

Rental vehicle

If the nominated vehicle cannot be repaired within the same day as the breakdown, we will provide a replacement vehicle of a similar size, where possible and subject to availability, for a maximum of three (3) days and at a rate of \$120.00 per day (GST Inclusive).

Alternative transport

In the absence of a replacement vehicle, or if the driver so chooses we will arrange for the most comfortable and convenient means of transportation (i.e. bus, train or plane) to enable the driver of the nominated vehicle and any travel companions to continue their journey to a maximum of \$120.00 (GST Inclusive) per incident.

Other

A Taxi will be provided up to a cost of \$60.00 (GST Inclusive) for the driver and any travel companions so they can continue their journey.

Servicing Requirements

All vehicles must be serviced by any AA Approved or MTA registered repairer every 10,000 kilometers or in accordance with the manufacturer's service schedule for the vehicle, or within 12 months, whichever occurs first. Each service should follow the manufacturer's recommendations, and include at least the following:

- Change engine oil and oil filter
- Check and pressure test cooling system, including all hoses and joints and replace if required
- Check cam belt, all drive belts and replace if required according to manufacturer's age and mileage guidelines for replacement. Failure to do so and document may result in voiding this policy.
- Check all fluid levels and top up if required
- Check air/fuel filters and replace if required
- Check turbo oil feed pipe (where applicable)
- Change transmission oil (first service then according to manufacturer's recommendations)
- Check braking system (including all hoses and brake fluid condition) and replace, top up as required
- Check CV boots and replace as required
- Check air conditioning system

Diesel vehicles must have an oil change every 5,000 kilometers or as per manufacturer's specifications. It is not our responsibility to inform you that a service is due.

IMPORTANT NOTE: Failure to comply with these requirements will invalidate cover. Please ensure that you retain your service invoices, as these will be required in event of a claim.

Excess

The excess amount as shown on your Certificate of Insurance applies to each unrelated claim. You must pay the excess to the repairer before you collect your vehicle.

Vehicle Service Record

As per the policy conditions you must at your own expense, have your vehicle serviced by an approved repairer once every 10,000km or as per manufacturer's recommendations or at least every 12 months, whichever occurs first. If your vehicle is a diesel vehicle, it must also have an oil change once every 5,000km or as per manufacturer's recommendations.

You must also replace the cam belt if it is due for replacement according to the vehicle manufacturer's age and mileage recommendations. If this is not done, any consequent damage will not be covered.

The service must be carried out by a repairer/service center approved by NZAA or MTA

Hybrid vehicle batteries and fuel cells.

Modifications

Any cost that has contributed to, or has arisen, as a result of the vehicle being modified from the manufacturer's original specification.

Price of parts

More than the manufacturer's recommended retail price for any component.

Recalled parts

For any part subject to recall by the manufacturer for repair or replacement, your policy may not be valid.

Transferring

This policy is transferable to another vehicle provided the vehicle has been maintained and serviced in accordance with the requirements set out under the heading "Servicing Requirements" and provided we have accepted the transfer in writing. You must provide us with the vehicle's registration number, make, model, year of manufacture and odometer reading at the time of transfer. An additional policy premium may be payable and a transfer fee of \$75 (inc GST).

Cancellations

We will not refund your premium or any part thereof if you have made a claim under this policy. We may cancel this policy by giving notice in writing to you at your last known postal address. Such cancellations shall be effective from 4pm on the 7th day after posting by us. Should we choose to cancel the policy, we will refund a pro-rata portion of the policy premium.

We are entitled to immediately, and at our sole discretion, void this policy from inception or cancel this policy and decline any claim if you fail to comply with any provision of this policy or if you or anyone on your behalf makes a dishonest claim under this policy or a dishonest statement in support of a claim under this policy. If we void or cancel this policy under any of these circumstances, you will be notified in writing and you will not be entitled to any refund of premium.

- | | |
|----------------------------------|---------|
| • All vehicles up to 100,000 kms | \$5,000 |
| • All vehicles up to 150,000 kms | \$4,000 |
| • All vehicles up to 225,000 kms | \$3,000 |
| • All vehicles up to 300,000 kms | \$2,000 |

The odometer reading outlined above is as at the policy start date/the commencement of cover

Note:

There is no limit to the number of claims that can be made during the policy period.

Roadside assistance

Roadside services, maximum callouts per annum three (3).

Vehicle recovery

Recovery of vehicle to nearest Quest Insurance authorised place of repair: Metropolitan & Rural \$100.00

Any additional cost over and above the limit will be at the expense of the driver.

Caravans/trailer towing

Quest will provide cover for caravans and trailers on tow at the time of the breakdown up to a maximum of 7 metres in length (excluding tow-bar), 2.44 metres wide and 3 metres high. When recovery of a vehicle is required, caravans and trailers on tow at the time of the breakdown may be towed by a Quest service provider if not required to be lifted and carried. Any trailer that is not roadworthy, overloaded, or in an unsafe condition, will only be towed or transported at the driver's expense and only provided if it is legal to do so in the opinion of the service provider.

Lockout

Lockout service will only be provided subject to satisfactory proof of ownership or owner authority to drive the vehicle. The owner or the owner's representative (the driver) may also be required to sign an indemnity releasing the Quest service provider and Quest from any liability should damage be caused by such forced entry.

Lost keys

Keys will be couriered from either the residence of the owner, of the car dealer, in New Zealand as soon as practical or within 24 hours depending on the availability of the courier services. The driver must inform Quest at the time of making the service request call that prior arrangement has been made by the driver to make available the keys to the Quest service provider.

The cost of the replacement key will be at the expense of the driver.

Other Conditions

Public legal roads

Service will only be provided to your vehicle if it's disabled on constructed roads or driveways that are legally and safely trafficable by conventional two wheel drive vehicles or the towing/recovery vehicle (where required) as determined by Quest's service provider.

Vehicle rescue

Where your vehicle becomes disabled off legally designated or formed public roads (such as beaches, fields or creek beds), vehicle rescue may be arranged at the discretion of Quest's service provider, and at the driver's expense.

Bogged vehicle recovery

Service will be provided to your vehicle if it is stranded on a public road and where no special equipment such as power winches or extended cables are required.

Special equipment

Should special equipment be necessary to effectively deliver service or where the Quest service provider has to return to their facility to obtain any special equipment, the additional cost involved will be charged to and paid by the driver.

Natural disasters

Quest and its service providers reserve the right to alter or to offer alternative assistance where a natural disaster places extraordinary demands on the provisions of service. Where your disabled vehicle cannot be reached (for example due to floods, slips or fire), Quest or its service provider will attempt to provide whatever alternative assistance is practical under the circumstances.

Any such assistance will be at the discretion of Quest and its service provider and will not be unreasonably withheld. Quest will provide assistance on a best endeavors basis and offer to contact a towing contractor to attend the vehicle.

Unattended vehicles

Should your vehicle be found unattended, you will not receive service under any circumstances. The owner or the owner's authorised representative must wait with the vehicle until Quest's service provider arrives. Where your vehicle is found to be unattended, the roadside assistance job will be aborted. Any subsequent calls for service (deemed by Quest's service provider to be for the same incident) will be at the driver's expense.

Claims Procedure

If your vehicle has a mechanical or electrical breakdown that may entitle you to make a claim under this policy you should:

- Contact the Quest Claims Team to notify them of claim. Quest Claims will provide you with further information.
- If the vehicle can be driven safely without causing further damage, take it to the nearest approved repairer. Repairs must be carried out by an approved repair facility.

- If the vehicle cannot be driven, contact the Quest Road Service Team. The service is available 24 hours a day, 7 days a week. The team will attempt to diagnose and repair the breakdown at the roadside and, if necessary, will provide a tow. You may be required to pay costs incurred and then seek reimbursement under this policy.
- Hand this policy to the approved repairer and ask the service manager to contact Quest for permission to proceed. The repairer should provide the following:

Your policy number

Your vehicle's odometer reading at the time of the breakdown

Your vehicle's registration number

Your vehicle's service history

Initial diagnosis of the problem

Estimated cost of repair

If requested to provide Quest with copies of all service records.

Quest may need to arrange for an assessor to inspect the vehicle prior to approving a claim. Quest cannot pay for any work performed on your vehicle without our prior approval.

Advise Quest if there are any additional labour or parts required after the initial approval of the claim. Quest must approve the additional costs prior to them being incurred.

After the claim has been approved and the repair work finalised, submit the repair invoices with copies of any outwork and parts invoices to Quest. Quest will not pay more than the recommended retail prices for parts or outwork. Quest reserves the right to supply or repair any components for the repair.

Dismantling may be required to determine if there is a valid claim. Quest will reimburse the cost of dismantling if we approve your claim but only you can authorise the dismantling of your vehicle
